

## **Nguyễn + Transitory - Bird Bird, Touch Touch, Sing Sing (work-in-progress)**

- a decent sound system with subwoofers
- clean working mixer with 2 channels of stereo-inputs and 2 channels of microphone-inputs with pre-fader AUX-Send (Mackie 802 VLZ4 or similar)
- 2 x XLR mic cables and necessary cables to connect mixer L+R Outputs to main sound system
- 1 x large bowl of water, plus a small stool to place it on
- 1 x Table Top microphone stand for the Theremin
- 1 x table of 110cm (L) x 60cm (W) x 75cm (H)
  
- 23 fluorescent light tubes in 4 shades within the spectrum of Magenta to Indigo (8 would be the minimum if 23 is not possible)

2 hours for set-up (equipment & light tubes) + 2 hours for sound check

40 minutes performance
