

## **TECHNICAL RIDER "Dragonflies with birds and snake"**

FELIX KUBIN brings:

- MiniDisc Player (stereo) -
- Boss SP 505 Sampler (stereo)
- Laptop (stereo)
- Light Scanner (controller for the laptop)

FELIX KUBIN needs:

Instruments: -

- 1 KORG MS 20 Synthesizer (no MS 20 mini or ANY other model)
- 1 Sherman Filter Bank #2 - 2 D.I.'s
- 16 channel mixing desk ON STAGE with good parametric eq's and jack inputs (preferably Mackie, Allen&Heath, Soundcraft)
- 2 monitors (stereo) on stage
- 1 high table 2m x 1m / height 0,9m
- > the table has to be totally plane for the big drawing Felix Kubin is scanning
- 1 high table 1m x 0,5m / height 0,9m -
- several light spots warm white with adjustable focus and dimmer -
- 1 table lamp
- adaptors/electricity transformer for German electricity/plug system!

WOLFGANG brings:

Laptop (Mac)

Film / digital file

WOLFGANG needs:

Large projection screen (The projection screen does not necessarily have to be a cinema-screen, depending on the location and circumstances, a white wall can also be quite sufficient.)

Projector (with HDMI connection)

HDMI cable long enough to connect the projector to a Mac.

Table for the computer and a chair.
