

## JAN JELINEK TECHRIDER

Jan Jelinek brings:

- 1 x Elektron Octatrack
- 1 x Modular Synthesizer System
- 1 x Sony Walkman
- 1 x Roland Edirol Recorder

Jan Jelinek needs:

- 1 x Mackie 1604 VLZ3 (no alternative!)
- 1 x Microphone Stand
- 1 x dynamic Microphone
- 5 power connectors, compatible with German DIN-plugs. 220 Volt power
- 1 small desk light - No other lights during the performance!
- Stereo Monitoring (IF the setup has to be on a stage - behind the house-PA)
- 1 table (110 x 70 cm) - height: please adjust the table so that he can SIT at the table

Jelinek usually doesn't play on stage - rather in the middle of the venue - in front of the house PA. No monitoring necessary with this setup.
