JASMINE GUFFOND

TECH RIDER

Venue Provides:

1 x Table (standing height, approx 0.5 x 0.5m)

4 x XLR cables to reach from my audio interface to the sound system.

4 Speaker sound system, full range with sub woofer

Soundcheck 1hr

Jasmine Brings:

Laptop, midi controllers

RME Babyface audio interface - 4 outputs / 2 x stereo

2 x XLR outputs

+ 1 stereo mini jack output (I can bring a y split stereo mini jack to 2 XLR cable if necessary)

*Jasmine is ideally positioned in the middle of the 4 speaker set up, or at the very least in front of the P.A. and not on the stage. She therefore does not need monitors.
